Schedule 3

Continue to refer to the Essential Standards of Quality and Safety page 254, Schedule 3 in order to ensure that the appropriate information is available during a compliance review. This requirement is now in the Health and Social Care Act (Regulated Activities) Regulations 2014.

Data Protection.

There are items of a very personal nature that should be deemed as “brown envelope” information and available only to those who should see it. e.g. DBS information available only to Registered Manager, Local Authority Contracts, Monitoring, Care Quality Commission and anyone else through a court order process.
